WATER IS LIFE

The background is a solid blue color. On the right side, there is a stylized graphic of a leafy branch and a large water drop, rendered in a lighter shade of blue. The text "WATER IS LIFE" is centered horizontally and vertically in a bold, white, sans-serif font.

ABOUT US

*"experience spanning
over ten years"*

Harare Pumps & Irrigation (Pvt) Ltd is a 100% wholly owned Zimbabwean company, with two branches in Harare. Harare Pumps & Irrigation is a leading supplier and installer of pumps, irrigation and water reticulation schemes in Zimbabwe.

With experience spanning over ten years, Harare Pumps and Irrigation has become a household name and a strong contend-

er in water pumping and irrigation solutions. The company is continually evolving to keep current with technological innovation. The company is currently in the process of forging strategic partnerships that will see access to clean water in every home. Our clientele includes households, schools, public sector, NGOs, private sector, tourism sector, agricultural, industrial and mining sector.

Our Vision

To be the leading and innovative provider of sustainable water pumping and irrigation solutions in Sub-Saharan Africa.

Our Mission

To provide world class service through continuous, viable and energy efficient water pumping and irrigation solutions to our customers.

Values

Integrity, Innovation and Customer Service are the core values of Harare Pumps and Irrigation's thrust in being the best in the market.

Integrity

At Harare Pumps and Irrigation, honesty is the benchmark in service delivery and in meeting our client's expectations.

Innovation

With the rise in technological advancement worldwide, it is important to effectively work towards efficient water pumping and irrigation solutions. At Harare Pumps and Irrigation, we are always evolving through looking for creative ways to provide solutions both internally and for our clients.

Customer Service

We pride ourselves on excellent customer service, always going the extra-mile in ensuring a satisfied customer. "We are what we repeatedly do. Excellent, therefore, is not an act but a habit". Aristotle

PRODUCTS AND SERVICES

We supply a variety of high quality equipment with unmatched customer service.

- Centre Pivot
- Borehole Drilling and Casing
- Pipes and fittings
- Overhead sprinkler systems
- Mono blocks
- Centrifugal pumps
- Submersible and booster pumps
- Solar Pumping systems
- Drip Irrigation Systems
- Garden Irrigation systems
- Dewatering and Sewage Pumps
- Domestic and commercial solar systems

CRI Pumps Distributor

We are the Zimbabwean agents of CRI Pumps. We offer a wide range of high quality, cost effective and efficient pump solutions for almost any application including Domestic, Industrial, Mining, Irrigation and Sewerage pumps. We are able to supply and install solar pumping systems including DC and Hybrid ACDC Solar pumping for both domestic and commercial enterprises.

Irrigation Systems

We are proud to associate with International Brands, the likes of Rainbird, Netafim, Rotrix and Zimmatic Centre Pivots. We have forged strategic partnerships with Dealers of some of these brands giving us a strong footprint in the industry and wide market.

Water Reticulation

We have supplied and installed various water schemes and reticulation systems for Housing Development schemes and Property Companies in Harare. We have partnered various Development Agencies in providing piped clean water to communities across the country.

Water Delivery, Storage and Filtration

We provide various storage options from the smallest water tanks to reservoirs for the farming community. We also provide bulk water delivery services in our town, Harare and surrounding communities. With the rise in contamination of water sources in our environment we have started providing filtration systems from the smallest filter to the biggest Reverse Osmosis filtration for Water Plants.
